## GREETINGS from the LANDLADY

We are here for you again ☺  
Dear Post Guest,  
Thank you for being with us!

I would like to use this place on the menu  
not to put myself in the foreground, but  
rather my best, no very best employees,  
who are once again able to be hosts with  
full motivation and heart.

A big thank you to my employees, who are  
fully behind me in these times, do their job  
in a great mood and also endure the mask  
four hours. WOW!

Personally, I would be very happy if you,  
dear Post guests, reward this with an  
equally appreciative tip.

Thank you so much   
Your Post Landlady with body and soul
